10% discount available on all orders over £400

A design service fee of £65 is charged on commencement of work. This will be due prior to delivery of your bespoke design options.

Design options will be delivered via email. Once you have chosen a design option, a full quotation will be provided for your wedding stationery needs. This will vary according to the materials chosen and quantities required.

After receiving a final proof of your stationary, payment of 50% of the total price quoted will be required before commencement of production.

The final balance plus delivery costs will be due before your order leaves our studio. All orders are sent registered.
